MEMORANDUM

To: The Academic Senate

From: F. R. Geigle

I am listing below the revisions of pertinent recommendations as approved by the Board of Higher Education at its meeting in Chicago on May 4-5.

SCOPE AND MISSION

Recommendation #9: Designate ~~six~~ seven public University ~~ies~~ Centers for expanded and new graduate programs at the ~~doctoral~~ Ph.D. level.

A. The new and expanded programs would be approved only after need is clearly established and there is no conflict with the mission and scope of the particular institution.

B. The University ies ~~Centers would~~ include:

1. University of Illinois at Urbana-Champaign
2. University of Illinois at Chicago Circle
3. Northern Illinois University (DeKalb)
4. Southern Illinois University at Carbondale
5. Southern Illinois University at Edwardsville
6. Illinois State University (Normal)
7. University of Illinois at the Medical Center

Recommendation #11: Reexamine current offerings at ~~institutions-whose~~ scope is limited to the master's degree ~~programs~~ level. The institutions and ~~its~~ their governing boards should report to the Board of Higher Education by June, 1972, the programs to be retained and those to be phased out.

INSTITUTIONAL SIZE AND CAPACITY

Recommendation #12: There was no change in this recommendation concerning enrollment ceilings and was approved by the Board of Higher Education as indicated in the revised Master Plan III.

GRADUATE AND PROFESSIONAL PROGRAMS

Recommendation #34: In general Eexpand established programs leading to the Ph.D. to meet demonstrated needs before embarking upon new programs at the ~~six~~ seven University ies ~~Centers~~.

Recommendation #36: Approve and support a limited number of Doctor of Arts degrees, desinged to prepare teachers for the junior colleges and senior institutions. ~~principally at institutions and in program areas where the Ph.D. is already offered in a limited number of cases but on an experimental basis in other circumstances.~~

Recommendation #84: ~~By January, 1972, each university with a laboratory school will present to the Board of Higher Education, through the respective governing Board, a plan and a timetable for the phasing out of the particular laboratory school (s). The plan should be developed in consultation with the appropriate local public school districts.~~

~~A work study commission comprised of representatives of the Office of the Superintendent of Public Instruction, the Illinois Association of School Boards, the respective governing board, and the Board of Higher Education, will review the plan and work with the particular university in its implementation.~~

Establish a work study commission comprised of representatives of the Office of the Superintendent of Public Instruction, the Illinois Association of School Boards, the Board of Higher Education, the representative governing boards, prominent national experts and other appropriate agencies to evaluate the operations of the several laboratory schools at Illinois public universities. The commission will make recommendations to the Board of Higher Education as to the continual support of the schools on an individual basis by January, 1972.
